Mr Joe Cooter

Patterson N.J.

Dear Friend:

I am sure you are not too surprised to hear from me. I am still of the opinion that the City of Patterson should support our baseball. I believe I have made a contact that will help. I am writing to Mr Kelly today to ask if we can rent the park,as before.

I am writing you to ask if you will work with us as before. I am sure the fans of Patterson would like to have some baseball close at hand so they would not have to travel so far to see a game.

I have engaged a local Patterson boy to work with the ballclub, and have asked him to come in and see you and have a talk. He is a good writer, and young and ambitious, and I believe he will work hard to put the program over.

I will greatly appreciate hearing from you. I do think the city is worth another try. It would be especially good in view of the present day restrictions on travel. I will be looking foward to hearing from you as soon as possible. The young mans name who is comming to see you is Dick Edwards.

Very Truly Yours
